NEWS LETTER – 2022-23

Volume 2022, Issue 2 (April 2022 -June 2022)

Sanjay Bhokare Group of Institutes added the Civil Engineering course in the year 2009. It is a 4-years (8 semesters) full time program duly approved by the AICTE Govt. of India. Shelter is one of the basic needs of human being and it is provided by Civil Engineering. Civil Engineering consists of Applied Mechanics, Structural Mechanics, Concrete Technology, Fluid Mechanics, Surveying, Engineering Geology, Geo-tech Engineering, Earthquake Engineering, Environmental Engineering and Transportation Engineering branches. Now days infrastructural development is very fast due to tremendous increase in the population. So civil engineers are highly demanded by the society and industry. The department has well-qualified and experienced faculty. All are post-graduates. The department is well equipped with spacious laboratories, which cater to testing of materials as well as academic needs. Since 2017 Civil Engineering Department is affiliating to Dr. Babasaheb Ambedkar Technological University, Lonere (DBATU).

Vision

" To be reputed Technological Civil Engineering Department imparting Advanced Engineering tools applicable for Industry & Society."

Mission

"To enrich the student's ethics and core knowledge in Civil Engineering to meet the Civil Engineering Industry requirement."
